

Bake Cakes

In July 2015 the staff members and school children of Stebon Primary School Poplar enjoyed baking and creating special cakes for their fundraising cake sale which raised a fantastic total of £448.00 for The Centre. This was much appreciated alongside a special mention to Sue who helped to bring this event about and who contributed her own personal donation.

Whatever way you wish to give we just want to say **A BIG THANK YOU** to all our fundraisers and if you would like to take part in a future event or organise one yourself please get in touch with us and share your ideas so we can work together to continue to support the bereaved in our community.
